The Placentia Round Table was founded in 1902. It is a member of Women's Club International and is in the city of Placentia, in Orange County, California. Placentia has a population of over 50,000 citizens. The club's focus is dedicated to raising money to support local and surrounding area schools, charities, our military, and citizens alike. Our membership is comprised of 116 women who live in and around Placentia, including the cities of Fullerton, Yorba Linda and Brea. The Placentia Round Table (PRT) strives to meet both the social and charitable giving aspects of membership, as well as maintenance of our beautiful clubhouse. We are one of the few remaining clubs who own and operate a physical clubhouse and grounds. We continue through social media, websites, and advertising to reach out to our community by offering our clubhouse for rent to prospective brides for weddings, mothers for baby showers and memorials for loved ones.

Project Title: Club Communication **Hours** 130 **Donated \$** 0 **In Kind** 0

Group communication is vital for any organization to boost member participation, and build strong connections by sharing updates, celebrating wins and providing valuable information directly to their audience. The editor of the Placentia Round Table Women's Club creates a monthly newsletter, which is called **The Leaf**. In it the editor attempts to keep our members informed about club news and activities, share achievements, recognition and fill our ladies with excitement and pride in our club. We do so much each month!

The editor also produces the club's annual Yearbook which lists all our members along with their photos and contact information. Adding the photos has been very helpful, along with an additional list of our members by first name only. This helps us in getting to know and communicate with each other throughout the year. The Yearbook shows the board members and lists the annual meeting fundraiser dates, and Sections information. It also contains the Bylaws and Standing Rules for quick reference. We have a dedicated group of advertisers that fund the printing and we thank them dearly. The members keep their Yearbooks handy at each general meeting to make notes, add new members etc., and many won't leave home without it!
